(6-1-56; 10-12-64; Ord. No. 83-25, 8-13-83; Ord No. 17-12, 9-19-17)

§ 2-5. Running at Large Prohibited; Removal of Droppings.

A. It shall be unlawful for the owner of any dog to permit such dog, whether licensed or unlicensed to run at large in the County, and any person who, after being notified by any landowner or officer that his dog is running at large, permits his dog to run at large thereafter, shall be deemed to have violated the provisions of this Code.

B. The owner of a dog shall be responsible for the removal of the dog's excretion from any property other than the dog owner's property and between the edges or curbs of public streets.

(8-9-75)

§ 2-6. Leashing Dogs.

All dogs shall be kept secured by a leash or lead, and under the control of the owner or other responsible person, or within the real property limits of its owners. Nothing in this section of the County Code nor in any other section shall be deemed to make unlawful the exercising of dogs not upon a leash in areas of the County specifically designated for such exercising.

(12-20-75; 11-14-81; Ord. No. 83-25, 8-13-83; Ord. No. 17-12, 9-19-17)

§ 2-6.1. Tethering of Dogs.

A. Except when a dog's owner, guardian or custodian is physically within reach of the dog, it shall be unlawful for any person to tether a dog to a chain, rope or line of any kind that is too short to enable the dog easily to stand, sit, lie down, turn about, and make all other normal body movements in a comfortable, normal position for the animal, and reach shade as necessary, for more than three (3) hours cumulatively within any twenty-four (24) hour period, regardless of whether the tethered dog has been provided adequate space during parts of such period. For the purposes of this section, “adequate space” shall have the meaning given to it in Title 3.2 of the Code of Virginia. When the same dog is observed to be tethered in the same location that it was in after an initial observation of the dog in that location, then there shall be a rebuttable presumption that the dog has been continuously tethered in that location since the initial observation.

B. Notwithstanding any other part of this section, a dog may be attached to a running cable line or trolley system that allows it to reach shelter and water as necessary, except that no dog may be confined to such a running cable line or trolley system for more than twelve (12) hours cumulatively within any twenty-four (24) hour period. When the same dog is observed to be tethered in the same location on a least two (2) subsequent occasions in the twenty-four (24) hour period that follows an initial observation of the dog in that location, then there shall be a rebuttable presumption that the dog has been tethered in that location for more than twelve (12) hours cumulatively in the twenty-four (24) hour period since the initial observation. A running cable line or trolley system is defined as

(Ord. No. 13-06, 10-19-13).

§ 2-7. Dogs Over F Months Old to be Licensed.

It shall be unlawful for the owner or custodian of any dog over four (4) months old not to place or cause to be placed and kept around the neck of such dog a substantial collar and attach securely thereto the current Arlington County license and the current rabies vaccination tag issued for such dog. A. It shall be the duty of any Officer to apprehend any dog found running at large and to impound such dog in such retention facilities as are provided by the County. A complete registry shall be maintained of the breed, color and sex of all dogs so apprehended. If the ownership of a dog so impounded can be determined, the owner shall be notified, and the dog returned to such owner upon the payment of a reasonable and fair fee to be determined by the Animal Control Agency to cover the cost of boarding an animal. If the owner cannot provide proof of current license for the dog then the Animal Control Agency shall not release the dog until fees for rabies vaccination and license have been paid.

B. For subsequent impoundment within one (1) year there shall be an additional fee of ten dollars (\$10.00) for the second impoundment, and an additional fee of twenty dollars (\$20.00) for the third impoundment and an additional fee of thirty dollars (\$30.00) for each subsequent impoundment within the year.

B. *Impoundment; euthanization.* Any Animal Control Officer that has reason to believe that a canine or canine crossbreed within the County is a dangerous or vicious dog shall apply to a magistrate for the issuance of a summons requiring the owner or custodian, if known, to appear before a general district court at a specified time. The summons shall advise the owner or custodian of the nature of the proceeding and the matters at issue. The Animal Control Officer or owner shall confine the animal until such time as evidence shall be heard and a verdict rendered, if the animal poses a substantial risk to humans or other animals. If the animal does not pose such a risk or if the owner or custodian can adequately confine the animal without risk of its escape, the Animal Control Officer or police officer shall order the owner or custodian to keep the animal confined inside a dwelling or adequate structure so constructed to prevent its escape. Until such time as evidence may be heard and a verdict rendered, the animal may not be removed from the owner's or custodian's immediate property and must be secured on a leash no longer than six (6) feet when not confined indoors or locked within an adequate structure. Failure to comply with such an order shall be a violation of this section. The court, through its contempt powers, may compel the owner, custodian or harbinger of the animal to produce the animal. If, after hearing evidence, the court finds the animal is a dangerous dog, the court shall order the animal's owner or custodian to comply with the provisions of Subsection D. If, after hearing the evidence, the court finds the animal is a vicious dog, the court shall order the animal euthanized by the Animal Control Officer, in accordance with state law.

C. *Exceptions.* No animal shall be found to be a dangerous or vicious dog solely because it is a particular breed. No animal shall be found to be a dangerous or vicious dog if the threat, injury or damage was sustained by a person who was:

1. Committing, at the time, a crime upon the premises occupied by the animal's owner or custodian;
2. Committing, at the time, a willful trespass or other tort upon the premises occupied by the animal's owner or custodian; or
3. Provoking, tormenting, or physically abusing the animal, or can be shown to have repeatedly provoked, tormented, abused or assaulted the animal at other times.

No police dog which was engaged in the performance of its duties at the time of the acts complained of shall be found to be a dangerous or vicious dog. No animal which, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, or its owner/custodian or owner's/custodian's property, shall be found to be a dangerous or vicious dog.

- D. *Responsibilities of owners or custodians of dangerous dogs.*

The owner or custodian of any animal found by a court to be a dangerous dog shall, within ten (10) days of such finding, obtain a dangerous dog registration certificate from the Animal Control Officer for a fee of fifty dollars (\$50.00), in addition to other fees that may be authorized by law. The Animal Control Officer shall also provide the owner with a uniformly designed tag which identifies the animal as a dangerous dog. The owner or custodian shall affix the tag to the animal's collar and ensure that the animal wears the collar and tag at all times. While on the property of its owner or custodian, an animal to be found by the court to be a dangerous dog shall be confined indoors or in a securely enclosed and locked structure of sufficient height and design, with adequate shelter, to prevent its escape and to prevent direct contact with or entry by minors, adults or animals. When off its owner's or custodian's property, an animal found by a court to be a dangerous dog shall be caged or kept securely on leash no longer than six (6) feet and muzzled in such a manner as not to cause injury to the animal or interfere with the animal's vision or respiration, but so as to prevent it from biting a person or another animal.
 4. If the owner or custodian of a dangerous dog is an unemancipated minor, the custodial parent or legal guardian shall be responsible for complying with all the requirements of this section.
