§ 37-5. Payments for Moving and Relocation Expenses.

A. Whenever the acquisition of real property for a program or project undertaken by the County will result in the displacement of any person, on or after March 25, 1983, the County shall make fair and reasonable relocation payments to displaced persons as required by this chapter for:

1. Actual reasonable expenses in moving himself, such person's family, business, or other personal property;

2. Actual direct losses of tangible personal property as a result of moving or discontinuing a business but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property as determined by the County; and

3. Actual reasonable expenses in searching for a replacement business.

B. Any displaced person eligible for payments under subsection A of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection A of this section may receive a moving expense allowance, determined according to a schedule established by the County, not to exceed three hundred dollars ($300.00); and a dislocation allowance of two hundred dollars ($200.00).

C. Any displaced person eligible for payments under subsection A of this section who is displaced from such person's place of business and who elects to accept the payment authorized by this subsection in lieu of the payment authorized by subsection A of this section, may receive a fixed payment in the amount equal to the average annual net earnings of the business except that such payment shall not be less than twenty-five hundred dollars ($2,500.00) nor more than ten thousand dollars ($10,000.00). No payment shall be made under this subsection unless the County is satisfied that the business:
1. cannot be relocated without a substantial loss of its existing patronage, and

2. is not a part of a commercial enterprise having at least one (1) other establishment not being acquired by the County which is engaged in the same or similar business.

For purposes of this subsection, the term "average annual net earnings" means one-half (1/2) of any net earnings of the two (2) taxable years immediately preceding the taxable year in which such business moves from the real property acquired for such project, or during such other period as the County determines to be more equitable for establishing such earnings, and includes any compensation paid by the business to the owner, or the owner's spouse or dependents during such period.

§ 37-6. Additional Payments to Enable Displaced Persons to Acquire Dwellings.

A. In addition to payments otherwise authorized by this chapter, the County shall make an additional payment not in excess of fifteen thousand dollars ($15,000.00) to any displaced person who is displaced from a dwelling actually owned and occupied by such displaced person for not less than one hundred eighty (180) days prior to the initiation of negotiations for the acquisition of the property. Such additional payment shall include the following elements:

1. The amount, if any, which when added to the acquisition cost of the dwelling acquired, equals the reasonable cost of a comparable replacement dwelling which is a decent, safe, and sanitary dwelling adequate to accommodate such displaced person, reasonably accessible to public services and places of employment and available on the private market.

2. The amount, if any, which will compensate such displaced person for any increased interest costs which such person is required to pay for financing the acquisition of any such comparable replacement dwelling. Such amount shall be paid only if the dwelling acquired by the County was encumbered by a bona fide mortgage which was a valid lien, on such dwelling for not less than one hundred eighty (180) days prior to the initiation of negotiations for the acquisition of such dwelling. Such amount shall be equal to the excess in the aggregate interest and other debt service costs of that amount of the principal of the mortgage on the replacement dwelling which is equal to the unpaid balance of the mortgage on the acquired dwelling, over the remainder term of the mortgage on the acquired dwelling, reduced to discounted present value. The discount rate shall be the prevailing interest rate paid on savings deposits by commercial banks in the general area in which the replacement dwelling is located.

3. Reasonable expenses incurred by such displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

B. The additional payment authorized by this section shall be made only to such a displaced person who purchases and occupies a replacement dwelling which is decent, safe, and sanitary not later than the end of the one (1) year period beginning on the date on which such person receives final payment of all costs for the acquired dwelling, or on the date on which such person moves from the acquired dwelling, whichever is the later date.

(Ord. No. 83-30, 11-19-83)

In addition to amounts not otherwise authorized by this chapter, the County shall make a payment to or for any displaced person displaced from any dwelling not eligible to receive a payment under § 37-6 which dwelling was actually and lawfully occupied by such displaced person for not less than ninety (90) days prior to the initiation of negotiations for acquisition of such dwelling. Such payment shall be either:

A. The amount necessary to enable such displaced person to lease or rent for a period not to exceed

four (4) years, a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, and reasonably accessible to such person’s place of employment but not to exceed four thousand dollars ($4,000.00), or

B. The amount necessary to enable such person to make a down payment, including incidental expenses described in § 37-6.A.3, on the purchase of a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, but not to exceed four thousand dollars ($4,000.00), except that if such amount exceeds two thousand dollars ($2,000.00), such person must equally match any such amount in excess of two thousand dollars ($2,000.00) in making the down payment.
